

Canoe Theory Presentations

You will work in groups of four to research, plan and deliver a presentation to the rest of your classmates. You will be assigned a Canoe Theory topic by your teacher and your group will plan to deliver a presentation to the class that is informative and entertaining in order to assist your classmates with learning of the material. You are encouraged to use visuals, examples, pictures, media, etc. to help engage your classmates. You will prepare an information package related your topic that your classmates can add to their Canoe Tripping Portfolios.

You will be assigned one of the following topics:

- 1) Canoe Heritage
- 2) Canoe Construction and Design
- 3) Canoe Tripping Gear
- 4) Weather Interpretation
- 5) Environmental Practices and Concerns
- 6) Trip Meal Planning
- 7) Wilderness First Aid

Your teacher will discuss your research and material prior to your presentation. Presentations will start next week. Presentations will take place as topics come up in our course but everyone should be prepared to present next week.
