

YOUR treatment centre

TASK:

- In pairs, create a website for an original Oakville Mental Health Treatment Centre specializing in two of the four most common teen mental illnesses.

COMPONENTS:

Your website needs to include the following topics:

- Specifics about the centre (Name, location, contact information etc...)
- Your treatment centre's mission statement/philosophy (What is the centre's focus?, What does it "believe" in?)
- Description of the mental illnesses you are treating at your centre (ie: how would someone know this was the treatment centre for them?)
- Treatment options (what do you offer for clients?)
- Testimonial (A written or spoken statement praising the success of your centre)
